City High Welcomes You!

Welcome to Mercer Park, home of City High Little Hawks Baseball!

As coaches of City High Baseball we would like to express how grateful we are to have the opportunity to lead a program with such tremendous history. City High School is a premier school throughout the entire United States and to be a part of the legacy is significant.

It is an honor for our coaching staff to passionately teach the game of baseball to the student athletes participating in baseball at City High School. We value playing the game the right way and teaching our student-athletes life-long lessons both on and off the field. We teach our players to practice and to compete to the best of their abilities and work with them to develop as leaders both on and off the field.

Our goal is to create a great ballpark atmosphere not only for our team, but also for our fans. We hope that your family friendly experience at Mercer Park exceeds all expectations. We have a great lineup of first pitch celebrities, a new wave of game events, concessions run by CHS and what we hope is an extremely exciting brand of baseball. Therefore we encourage you to not only cheer loud, but also to participate in our between game events run by CHS students. You can also follow us during home and away games on  @ICHSBaseball.

None of this would be possible however without the tremendous support of the City High administration, student interns, and amazing parent support and of course our student-athletes. This support doesn't begin and end during the season, but is a year round effort. We would like to thank all of you all for that support!!!

We would also ask you to show our guests what a great environment we have here at City High. Please accommodate them and allow them to appreciate a great experience.

Thank you and....**PLAY BALL!**
